The brief statement of facts made to us are as follows: On the arrival of the Lizie Baker at Fernandina, on her trip south, while the crew were busily engaged in discharging the freight consigned to that point, under the superintondence of the mate, a strange negro came aboard. The mate inquired his business, and was told that he had come to see after some baggage. He was informed by the officer that it was against the rules of the boat for him to be there; that the baggage and freight would be properly attended to, and ordered him ashore. The negro started, but remained on the gang plank sulklly, and being again warned ashore, replied with inso-lent language. GENTLEMES: I meet, during the past season, one of offigersoil's Portable Cotton Presses, purchased of you also selected by the past season, one of offigersoil's Portable Cotton Presses, purchased of you of the "Serow Press," and nothing but dire necessity in direct me to try any other. I take pleasure, however, in abbing my testimony in tavor of its entire adaptation to the wants of a cotton plantation. It have packed with but two marches of a cotton plantation of the season of a cotton plantation of the season of the wants of a cotton plantation. The first fort local two halfs, yet I prefer for 1 have packed with but labels all weighed over 500 fbs. The first fort local comarket averaged 562 fbs. My impression is that 500 fbs. labout the capacity of the Press, and a greater number of pounds subject the follow-block to too much risk, unless this sides of the cotton box was increased. It would add greatly to the value of the Press it the cotton based for the cotton the was feen inches longer. In haste, I am very respectfully, Your obestient servant, &c., it, W. LAWTON.

F. S. I took my Press down and carried it sume tour along to pack the respect of a neighbor, who talled to have determined to abandon the "Serves" and pressure of the pressil's Press."
